

# How to Determine Your Hat Size

Print this form at 100% scale and carefully cut out the three pieces along the dotted lines. Tape the end of B to Line B so the arrows match. Tape the end of C to Line C so the arrows match. Once you have assembled the Hat Size Tape, place the tape around your head about 1/8" above your ear, across the mid-forehead, completely circling your head. You need to measure your head exactly where the hat will sit.
